

Leeds Local Offer for SEND

The Leeds Local Offer is a way of providing information to families with children with special educational needs and disabilities (SEND) 0 to 25 years old in Leeds.

All local authorities have a duty to publish a Local Offer, it has two key purposes

- To provide clear, comprehensive, accessible and up to date information about available provision and how to access it
- To make provision more responsive to local needs and aspirations directly involving children and young people with SEND, their parents and carers and service providers in its development and review
